

X-Ray: Dinosaurs A Double Take Book

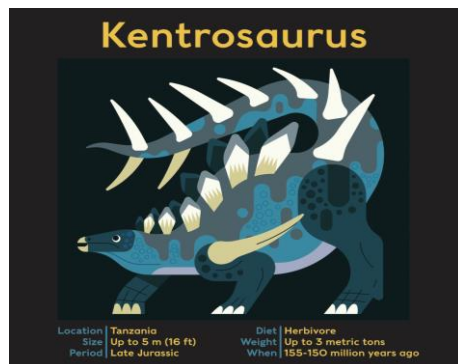

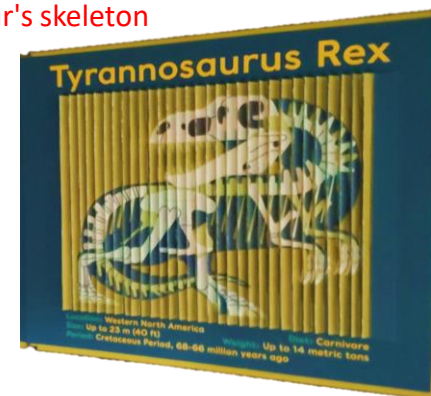

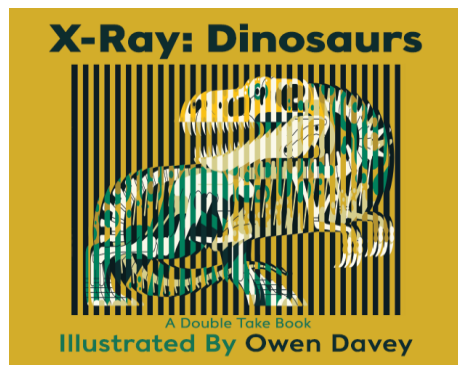

Illustrations by Owen Davey

Board Book *8.25" x 7.25" * 4 spreads with 2 changing images per page * die cut clear acetate cover*

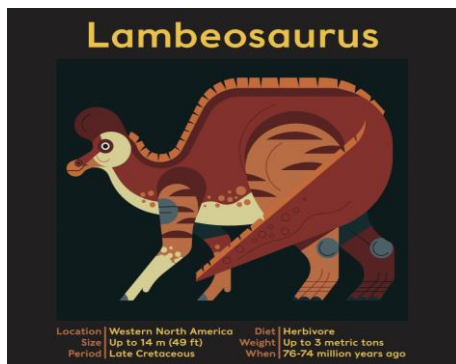

A unique changing picture book featuring Tyrannosaurus Rex, Talarurus, Kentrosaurus, Microraptor, Spinosaurus, Lambeosaurus and Triceratops. One view shows us as we see them on the outside but with a simple tilt of the book the view changes to show the dinosaur skeleton. Includes fun facts such as what period they lived in, size, weight and diet.
